

Change in the management of Refratechnik Holding GmbH

Munich, 1. Januar 2026

Refratechnik Holding GmbH announces that on January 1st, 2026, Prof. Dr. Franz X. Spachtholz joined the management board of the Refratechnik Group. He takes over from Mr Michael Frei and will be seated in Munich.

Previously, Prof. Dr. Franz X. Spachtholz worked as managing director of Baymag Inc., which is part of our Group. In his new function, he has group-wide responsibility in the areas of Production, Purchasing, and Integrated Management Systems (IMS) as well as the Global Technics department.

Prof. Dr. Franz X. Spachtholz comes with many years of experience as head of complex organizations as well as the management of large international projects. With his expertise and strategic competence, he will lastingly strengthen the Refratechnik Group's management.

Refratechnik Holding GmbH thanks Mr Dr. Michael Frei for his long-standing service and his acknowledged contribution to the Group.
